	Today	Previous	Today	Previous
	1,832,500,000	2,828,100,000	66	66

There are a number of key variables to look at when investing in bonds: the bond's maturity, redemption features, credit quality, interest rate, price, yield and tax status. Together, these factors help determine the value of your bond investment and the degree to which it matches your financial objectives.
