## Review your Details and Submit

### Review:

Please cross-check all your details before submitting your application.  
You can also save this application as a draft and continue it later.

### Application Processing:

Your application will be forwarded to the broker you select for verification.  
After verification, your application will be processed by Uganda Securities Exchange.  
A unique Client ID will be created and you will receive a notification.

### Failed Applications:

If your application fails any of the above processes, you will receive an email notification.  
You will be able to login and review and correct your application and re-submit.

### Terms and Conditions:

☐ I accept the [terms and conditions](#)
